

Hello, Neighbours!

My name is **Micheal Matthews**, and I'm running for Division 4 Councillor in the RM of Lumsden.

I wanted to take a few minutes to introduce myself, share a little about who I am, and explain why I've decided to put my name forward.

I've lived in the RM, in Division 2, for just over six years, although my family's roots in the area go back to the late 1970s.

My wife and I have been married for almost eight years, and we have two young boys who are exactly what you'd expect from a couple of ranch kids — rowdy, adventurous, and full of energy! They certainly keep us on our toes, and there's rarely a dull moment around our place.

My wife works for Farm Credit Canada (FCC), and I'm a plumber by trade with over 13 years of experience. Recently, I decided to step away from working for larger companies in Regina and start my own plumbing and heating business Wascana Plumbing Heating and Air, serving the local area. It's been a big change, but a good one, allowing me to spend more time with my family.

We live on a ranch next to my in-laws, and I'm grateful that our boys get to grow up with their grandparents close by. Family and community mean a lot to us, and we're fortunate to call this area home.

So, why am I running for councillor?

The answer is pretty simple. I care about the RM we live in, and I'd like to become more involved in our community and help out where I can.

While my home happens to be in Division 2, I've always looked at the RM as one community. The concerns of rural residents don't necessarily stop at a division boundary. Living on a gravel road myself, I understand many of the everyday challenges that come with rural life, and I'd like the opportunity to get to know the residents of Division 4 and represent their interests.

What I'd like to bring to the division is **an ear to listen, a voice to speak up when needed, and enough common sense to know when it's best to do a little more listening than talking.**

I believe a councillor's job is to listen to the people they represent, take their concerns seriously, and work with the rest of council to find reasonable, practical solutions.

I'd appreciate the opportunity to represent you on council.

If you see me around, don't hesitate to stop and say hello. I'd be happy to hear your concerns, have a conversation, or simply get to know a few more of my neighbours.

Thanks for taking the time to read this, and I hope to meet more of you in the coming weeks.

Micheal Matthews

Candidate for Division 4 Councillor
RM of Lumsden
