Emergency Scenario Discussion

- The Fire Department contacted the CAO to activate the EMO. There is a fire in the corridor between Craven and Lumsden (Highway #20 area)
- Gather more information, are there houses at risk?
- Declare an Emergency
- Activate the EOC, call in staff
- Determine where to put road blocks and detour traffic
- Think about additional resources needed
- Residences should shelter in place for now
- Notify the public, use all available outlets including social media and SaskAlert
- Consider residences at risk; start calling for evacuations
- Set up reception center(s)
- Set up emergency phone line, text, email and website for evacuees to register
- Ask evacuees if they need help moving animals, source equipment
- Ensure the evacuees at the reception center are safe and healthy
- Commandeer equipment when necessary

Discussion

- Alyssa mentioned that there is an Emergency Services Team of volunteers in Lumsden. She will provide the info to the EMO so it can be added to the plan.
- Discussed assigning specific tasks to office staff members.

Adjournment

The meeting was adjourned at 3:30 pm.
